THE SOCIETY'S AIMS

The Hadleigh Society was formed in 1982 by local people to encourage an interest in the history, environment and future of our town.

Our aims are

- To actively support the promotion of high standards in planning, conservation, regeneration and development of features within the Hadleigh district deemed to be of historical or environmental significance.

The Hadleigh Society realises these aims by

- the publication and distribution of regular newsletters and occasional papers and reports
- liaising with local authorities and planning, heritage and other relevant committees
- maintaining close links with the town archive
- active involvement in relevant debates/ activities/ organisations with the potential to protect and enhance Hadleigh's heritage and environment
- supporting and disseminating research into aspects of Hadleigh's history and heritage
- maintaining links with other historical and heritage societies
