## TESCO

The planning application was finally submitted in March 2008 and is scheduled to go before the development committee in late Summer. We have put in a 'holding' letter and intend making our full submission when the date of the council meeting is known. We have been working closely with the *Hands off Hadleigh* group. A private benefactor has 'bankrolled' us for the time being.

The Town Council is opposed to the proposals as are English Heritage, Natural England the Suffolk Wildlife Trust and some 1900 individuals who have responded according to the Babergh website. The *Hands off Hadleigh* group occupied part of the Society's tent at the May Show and were quite a crowd puller.

### HANDS OFF HADLEIGH EVENT

The campaign has already staged some very well attended events and has issued press releases on several aspects of the threat posed by Tesco's plans.

Please help to maintain the momentum of the campaign by making a note to support the next event which will be at a critical stage in the process.

***Protest March - Saturday 6th September 2008***

***(date subject to change - depending on when the Planning Committee decide to have their final meeting)***

Meet Babergh District Council Office Corks Lane at 11:30 am.

Many thanks to Jim Betteridge and to Rosemary Schade who have stood down after many years of good service to the Society.

Since the AGM we have also welcomed Steve and Nina Sherwood and Mike Pearson as co-opted members.
