

Give yourself a Christmas present or buy copies for your friends.

This is our first publication and is based on the presentation made in 1987 by our History group on life in our town in 1881.

The booklet contains many quotes from the records of the time.

Members can collect copies from Gordon Sutcliffe's Antique Shop during the day or from 106 High Street during the evenings or at weekends.

£1.80 or £2.10 by post
